

Science - In science we will be spending lots of time outside and exploring different plants. We will look at the different parts of a plant. We will look specifically at the leaves and learn how to tell what plant it is by the features of the leaf.

English - As we move into summer 2 we will continue to read lots of different books! We will continue to write sentences focusing on many different books. These books are below. We will continue to focus on handwriting and developing correct letter formation. We will continue to develop the language we are using in our writing and making our writing more interesting!

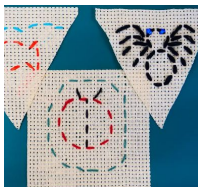

Geography- In Geography we will be investigating the seaside and thinking about the key question 'Why is it good to live by the seaside?'. We will specifically focus on rock pools and what creatures live in them.

RE - Our key question next half term is "Who is Jewish and how do they live?". We will explore Jewish artifacts and explore the above question.

DT- In DT we will be practicing our sewing skills! We will look at how to make a simple stitch in fabric. We will explore fabric and the features of it. We will then design a piece of bunting, create it using our stitching skills and then evaluate it.

PSHE- Over the next half term in PSHE, we will be focusing completely on transitions. We will think about what we would like to share with our new teacher. We will spend time with our new teacher and time in our new classrooms. We will begin to get ready for our transition and think about the things we might like to share with our new teacher! It is a very exciting half term and can't wait to get ready for our next chapter!

Maths - This half term we will practice our multiplication and division skills, we will begin to explore fractions and also look at numbers to 100! Please continue to practice your number bonds to 20 at home to support with this.

Computing - In computing, we will be creating and designing our very own rockets using technology. Once we have designed it we will have a go at building them. We will ask all children to bring in a clean, empty plastic bottle.

PE - will be every Tuesday and Thursday for Squirrels. Please can children wear PE kit into school on these days.

Music - This half term the children will continue to develop their music skills through singing and instruments.

Read Write Inc - The children will continue to have daily RWi lessons in school. The children will take home an AR/colour banded book as well as RWi book bag book to support their reading from home. This half term we have phonics screening so please continue to practice!
