

Year 6 – Spring 2

Maths:

We will continue to look at decimal numbers. We will then move onto comparing decimals, fractions and percentages.

Religious Education:

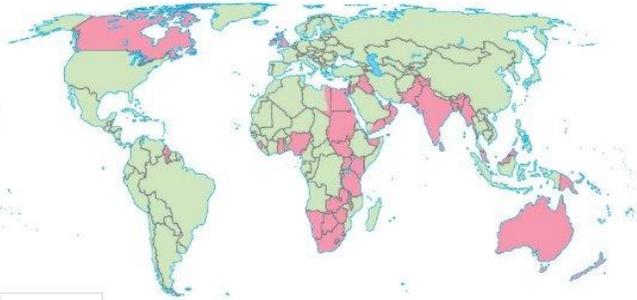

In RE we will be looking at how religion can help deal with the issue of racism.

Guided Reading: This half term we will be focusing on the text 'The Girl of Ink and Stars'. Children will be taught a range of reading skills.

History: British Empire

We will explore how and why Britain built an empire across different parts of the world, including countries in Africa, Asia, the Caribbean and the Americas.

SATs: We will be supporting children in small intervention groups to build their confidence.

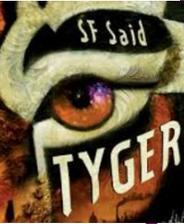

Music: The children will have a weekly music lesson with Mrs Devonport, on a Monday.

PE: Will be on a **Monday and Thursday**. Please can children wear a PE kit on these days.

Computing:

In computing we will start to look at how to use the programme Python.

English: In English, we will be reading *Tyger* by S. F. Said and exploring the characters, themes and rich language used in the story. The children will use this as inspiration to plan and write their own imaginative stories, focusing on descriptive detail and building tension.

Science:

In science we will be looking at what the human circulatory system is and what each part does. We will focus on creating accurate scientific diagrams
