

## Child Protection Policy for Children

All of the adults around you think that your health, safety and welfare are very important.

In our school, we respect our children and help to protect their rights.

We do our best to help children make good educational progress.

We teach children how to recognise risks in different situations, and how to protect themselves and stay safe.

## How are children protected at Kings Ash Academy?

We provide a safe environment for children to learn in.

We help to ensure that children remain safe at home, as well as at school.

We think it is important for our children to know where to get help if they are worried or unhappy about something.

## NEED TO TELL SOMEONE?

You can talk to any adult in school if you need to, or put a note in one of the Worry Boxes, but MISS BARRY, MISS PHIPPS and MRS JOHNSON from the Pastoral Support Base will ALWAYS be there for you - just tell them!
