

## Curriculum Intent

We aim to provide ‘pupils with an introduction to the essential knowledge that they need to be educated citizens’<sup>1</sup> and ‘provide the right foundation for good future progress through school and life’.<sup>2</sup>

Pupils will be introduced to the ‘best that has been thought and said’<sup>1</sup> and ‘an appreciation of human creativity and achievement’<sup>1</sup> encouraged through a relevant, meaningful and purposeful curriculum.

Through national and local frameworks and our own wider curriculum provision, we develop a wide ranging knowledge and skills to empower pupils’ to achieve their personal best and be aspirational for their future role within the global community.
