

# Year 5 - Spring 2

**Maths:** During this half term, we will be continuing to work on Fractions. We will be starting the half term by learning how to add and subtract fractions. We will then move on to learn how to multiply fractions by integers.

Maths

## Guided reading:

Following on from last half term, we will continue reading and finish 'Who Let the Gods Out' with a big focus being on our vocabulary, inference and summarising skills.

**English:** During this term, the children will be creating their own narrative based on the film 'Paraphernalia'. We will also be writing an instructional text using the book '101 things to do to become a superhero' as a stimulus.

## Science:

Feel the force - we are excited to be looking at the different forces at play in our world and investigate the role each one takes such as friction, air resistance etc

## French:

Every Friday, the children will be learning French with a specialist teacher.

**PE:** In 5LH, PE will be on a Wednesday and Thursday. In 5HC, it will be on a Tuesday and Wednesday.

**Music:**   
The children will have a weekly music lesson with Mrs Devonport (every Wednesday).

**DT:** The children will be exploring structures and mechanisms. Using this knowledge, they will create their own pop-up book.. 

**Geography:** What is a river? Well, this half term, we are about to find out. Pupils will be learning about the course of a river from source to mouth, erosion, deposition and how rivers can contribute to flooding.

Collins

**Computing:** We will be looking at how a flat-file database can be used to organise data in records.

Centre for  
Computing  
Education

**PSHE:** Our key questions are: How can friends communicate safely? We will be looking at how to stay safe online, risks of using the internet and online bullying.

PSHE  
Association

## RE: Christianity.

Our key question is: How do Christians live? What would Jesus do?

Keep in touch through Seesaw. We will be sharing our learning with you at home.
