# Year 6 Spring 2 2023

Computing
Creating Media - Web Page Design
This half term in Computing we will be learning how to build our own web page. We will learn how to evaluate what makes a good web page and the code used to do this. We will then apply this new knowledge to create our own web pages.

Music
This term in music we will continue to compose our own pieces of music.

History
The British Empire
This term in History we will be looking closely at the British Empire. We will look at and question why the British Empire was able to expand so quickly and also decline over many years. We will then look at what remains of the Commonwealth and the role Britain plays within in.

Design Technology
Playgrounds
In D.T this term, we will be building upon our skills and knowledge from our previous unit. We will be looking at what makes a good playground and identifying key features and in particular structures. Then, we will use a range of skills to design, build and evaluate our own playground.

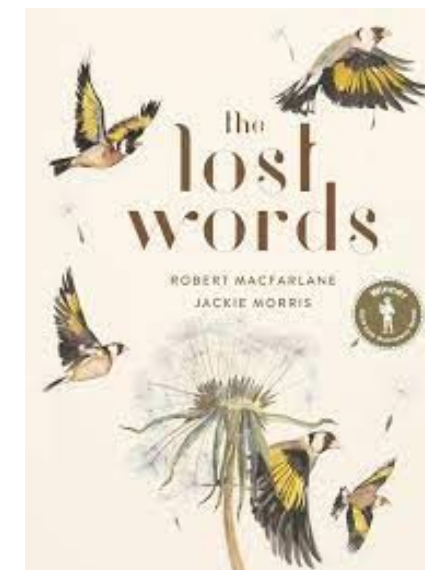

Religious Education
Islam
So far this year we have studied, Christianity, Judaism, Hinduism. This term we look at what life is like for a Muslim in Britain and how they follow the 5 Pillars of Islam

PE
This term in PE we will continue to develop the pupils' basketball skills and focus on tactics.

English
This term we be writing some poetry based on the book 'The lost Words'. We will also be writing a non-fiction piece based on the book 'The Lost Book of Adventures'.

Maths
This term we will be looking at percentages and length & perimeter. We will also start to recap on prior learning though a range of different contexts.

French
This term in French we will be look at vocabulary in sport.
