

Year 4 - Summer 2

English

We will be exploring the following texts:

The Grimms Fairy Tale
The Colours of History
The Dictionary of Difficult Words

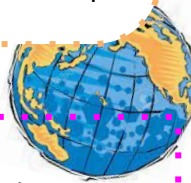

Maths

We will be learning about the mathematical concepts of money and time.

Reading

We will continue to use Accelerated Reader (AR) which is matched to individual reading levels. We will read these books at home and school, quizzing regularly on the Chromebooks at school to move up the book levels.

Science

We will learn about some of the positive and negative ways that humans change the environment, locally and globally, with a particular focus on how this affects other living things.

P.E

We will be taking part in sports with Mr Blackler. Remember your kit each Monday ready for the week ahead.

Music

We will have opportunity to use new instruments with Mrs Devonport.

Homework

Each week the following will be set:
My Maths Activity (online)
Times Table Rock stars (online)
Spellings
Daily reading
Lunchtime club is available to complete homework.

Computing

We will be looking at using microphones, speakers and headphones and items required to enable to sound to work digitally.

DT

We will identify the features, benefits and disadvantages of a range of fastening types, before designing a book cover.

RE

We will explore what people believe and what difference this makes to how they live.

Geography

We will be developing our knowledge of weather to help us build on our knowledge of climate change.

PSHE

We will be begin to think about transition and the next steps in our school life where we will move into Year 5.
