

Maths: This term we will continue to strengthen our understanding long division We will also focus on fractions before moving on to imperial and metric measurements.

Year 6 - Autumn 2

Guided reading:
This half term we will be exploring the fabulous work of William Shakespeare as well as delving in to narrative about the Vikings

English: During this term, the children will be writing a biography using the book 'Women in Science' as a stimulus. We will also be creating our own narrative based on the story 'Viking Boy'.

French:
Every Friday, the children will be learning French.

PE: will be on a Tuesdays and Fridays.

Music: 
The children will have a weekly music lesson with Mrs Devonport.

DT: In DT, the children will be designing and creating their own waistcoat using a running stitch.

Science: Our topic this term is called **Light Up your World**. We focus on how light travels and how shadows are formed.

History: This half term pupils will be learning about Ancient China, in particular the Shang Dynasty. We will use our historical skills to answer the question: How did a pile of dragon bones help to solve an Ancient Chinese mystery?

Computing: In this unit we will introduce the pupils o how spreadsheets are used.

PSHE:
We will be focused on exploring our own identity and economic well-being

RE: This term we look at how Muslims live their lives in Britain.

Keep in touch through Seesaw. We will be sharing our learning with you at home.
