

**Maths:** In maths this term we start to look at measure, ratio and proportion and algebra. The pupils will apply their new knowledge in a range of different contexts.

## Year 6 - Spring 1

**Guided reading:**  
This half term we will be focussing on the book 'The Explorer.'

**English:** During this term, the children will be writing instructions using the text 'Survival Handbook: Jungle' as a stimulus. We will also be creating our own narrative based on the story 'Beowulf.'

**French:**  
Every Friday, the children will be learning French.

**PE:** will be on a Tuesdays and Fridays.

**Music:**   
The children will have a weekly music lesson with Mrs Devonport.

**Science:**  
We will be discovering how blood pumps around the body and why this is so important.

**Art:** We will be making our 'voices heard', using a wide range of different artistic mediums and debating the question 'should graffiti be considered art?'

**Geography:**  
Climate change is the focus for this half term, specifically how it impacts real people from all around the world.

**Computing:** In computing we will focus on variables within a selection of games, we will then look to begin designing our own.

**PSHE:** We look at the importance of developing and growing physically but most importantly how we can make sure we stay healthy during this stage of our lives.

**RE:**  
We will be learning about why the Torah is so important to Jewish people.

Keep in touch through Seesaw. We will be sharing our learning with you at home.
