

### Physical Development

We are developing our fine motors skills by using resources such as scissors and knives and forks to increase our control when using tools.

Our PE lessons with Mr Blackler and Mr Vasey will focus on gymnastics.

### Literacy

We will be learning to retell the story, We're going on a bear hunt.

**Vocabulary:** *cave, Hunt, Stumble, forest,*

We will then be exploring letters, where the children will learn what a letter looks like. There will then be opportunities for the children to create their own letters.

**Vocabulary:** *Stamp, Post box, envelope,*

### Communication and Language

We will be learning lots of new vocabulary and using this when we are playing.

## Jellyfish Our Learning Journey Spring 1

### Understanding the World

We will be learning about different people who help us by exploring different occupations that people have. The children will have the opportunity to explore some props within their role play, enabling them to act out these different roles.

We will then learn about some of the jobs their families have and discuss what they may do during their work days.

### Personal, Social and Emotional

We will be focusing on supporting the children to manage conflicts with each other during play encouraging them to think of possible solutions to these .

### Expressive Art and Design

We will be focusing on giving meaning to the creations we make with the playdough. In our music sessions with Mrs Devonport we will explore

### Mathematics

We will be exploring numbers 3, 4 and 5 where the children will discover both what the numeral looks like and different ways that the number can be represented.

### Challenge me at home to...

- Talk about different jobs which people may have. What do people in your family do?
- Learn to put on my shoes and coat independently

Please check seesaw regularly for updates, weekly information and to see what your children have been exploring.
