

Physical Development

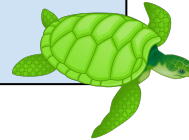

We are developing our fine motor skills by using resources which develop the muscles in our hands and through learning to form our letters. Our PE lessons with Mr Blackler and Mr Vasey will focus on gymnastics and the children using movement with different body parts to make shapes.

Literacy

We will be reading the story 'How to Catch a Star' by Oliver Jeffers. They will learn this text and will write the beginning, middle and end of the story making their own book. The children then will move onto non-fiction writing where they will be learning about writing instructions and will write their own ideas for 'How to Catch a Star'.

Reception Our Learning Journey Spring 1

Communication and Language

We will be focusing on answers how and why questions and using full sentences.

Understanding the World

We will be looking at People Who Help Us. We will be exploring different occupations and what their roles are within our communities. The children will then think about what they would like to be when they grow up! Children will be using devices to take photographs and then learning how to edit photographs.

Personal, Social and Emotional

We will be focusing on turn taking activities and sharing with small groups of children.

Expressive Art and Design

We will be exploring colour mixing be introducing using black and white paint to change the shade of paint. Our weekly music sessions with Mrs Devonport will involve exploring sound and tempo by using different instruments.

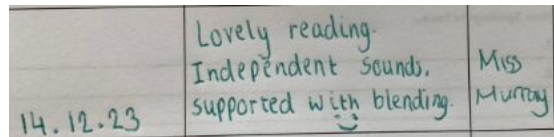

Mathematics

Then we will be looking at the change of numbers within 5. The children will be learning about one less of numbers within 5. We will then move onto learning number bonds up to 5. We will also be moving to spatial awareness where will introduce positional language.

Challenge me at home to...

- Talk about the different jobs people in my family do.
- Put my own coat on by putting the hood up and reaching back with my arms.

Please record in your child's home learning book when you have heard them read at home.
