

Year 4 - Spring 2

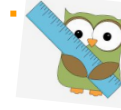

English

We will be exploring the texts:
Myth Atlas
Dare to Care: Pet Dragon

Maths

We will begin the half term by continuing our multiplication unit. Each week, we will continue to have times table checks in preparation for the end of Year 4 test.

Reading

We will continue to use Accelerated Reader (AR) which is matched to individual reading levels. We will read these books at home and school, quizzing regularly on the Chromebooks at school to move up the book levels.

P.E

We will be taking part in sports with Mr Blackler. Remember your kit each Monday and Wednesday.

Music

We will have opportunity to use new instruments with Mrs Devonport.

Homework

Each week the following will be set:
My Maths Activity (online)
Times Table Rock stars (online)
Daily reading
Lunchtime club is available to complete homework.

PSHE

We will be learning all about economic well being.

RE

We will be looking at Jewish family life and festivals.

Art

We will investigate different ways of applying paint. We will also mix tints and shades of a colour to help us paint a still life painting.

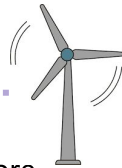

Computing

We will be data logging and learning about how information is collected and recorded.

Geography

We will be considering how to live more sustainably and the actions we can take to help our planet. We will consider renewable energy and its benefits.

Science

We will be exploring electricity through circuits. We will eventually experiment by making our own electrical circuits with bulbs.

Keep in touch through Seesaw for all updates.
